## Contract 2010

On Tuesday, April 13th your negotiating team continued with the third day of negotiations with the company at the Sheraton in East Hartford. The morning began with a presentation from Rosa Ketterling, Fund Representative for the I.A.M. National Pension Fund. She spoke on behalf of the Union's proposal to supplement the existing company defined benefit plan with the I.A.M. National Pension Fund. Rosa explained how defined benefit plans like the I.A.M. The Union feels this plan would be an excellent supplement to our existing plan and enable our members to have the funds available to retire with dignity. The Company did express some interest in the plan and asked Rosa some questions for clarification, but they refuse to discuss any "economic" proposals with the committee at this time. # Contract Talks 2010...Page 2

After a short break Mike Davis, Education Manager from the National I.A.M. Benefit Trust Fund gave a presentation to both sides. The Fund offers multiple Medical, Dental and Vision Plans of benefits as well as Prescription Drugs, Short Term Disability and Life, Accidental Death & Dismemberment benefits. Benefit Trust Plans are available, nationwide. Mike focused on the Davis Vision and Delta Dental plans being proposed by your committee for consideration. On the surface it appears that the Delta Dental plan is slightly higher than our existing plan, but Delta offers far better rates than Cigna and significantly lower out of pocket expenses. Take a look at the chart below and you will see that Delta's coverage is better than Cigna.

  
**Schedule of Dental Benefits**

Monthly Rates*	Plan A \$49.49	Plan A25 \$44.96	Plan B \$56.41	Plan B25 \$51.07	Plan C \$125.39	Plan D \$59.80	Plan E \$85.82	Plan G \$67.25	Plan H \$39.43

Lifetime orthodontia maximum	N/A	N/A	\$500	\$500	\$5,000	\$1,000	\$1,500	N/A	N/A

The Company appeared to show some interest in the presentation by asking a few questions about the plans, but would not discuss anything further because these proposals are “economic” in nature. The remainder of the day the committee made very little progress. The Company and Union did tentatively agree to some Articles and Letters having no proposed changes from either side.
